

Crazy Creatures Project

What to do: Using the tools we have seen in class, create a photoshop collage by combining 4 pictures into one. You will create 3 collages by the end of the project

How Much Time: 3 classes (plus an optional bonus class if everyone is working hard and wants one)

Marking Scheme:

50% - Criteria

50% - Quality

How Criteria is Judged: Demonstrate that you know how to use the following tools:

1. Selection Tools: Lasso, Quick Select, Refine Edge
2. Move Tool
3. Clone Stamp Tool
4. Eraser Tool
5. Adjustments: Hue/Saturation, Brightness/Contrast, Color Balance

Quality: Quality is judged on two axes:

1. Realism of final product (within context)
2. Difficulty
